

Welcome to unlimited.

Our new plans have unlimited
high-speed data all month long.

THAT'S GENIUS!

metro
by T-Mobile

On all plans, if congested, the fraction of customers using >35GB/mo. may notice reduced speeds due to prioritization. Video streams at 480p. Unlimited high-speed data is on your smartphone only. Unlimited high-speed data available on select rate plans. Metro™ by T-Mobile customers. Data is prioritized below data of other T-Mobile branded customers during periods of network congestion where competing network demands occur, resulting in relatively slower speeds.
