#ECenterImpact

"No where else on campus will you find such an interesting mix of innovative students from a variety of majors. It's not about business, or engineering, or computer science. It's about recognizing challenges people face every day and coming up with ways to make those things a little less challenging."

Devin McMahon '19

Hampstead, NH
Peter T. Paul College of Business and Economics
Co-founded start-up company Life Pad
Redesigning the leisure experience with
reconstruction through an innovative, the
overnight pad.

How I Engaged with the ECenter:

- Coached by the ECenter
- 2nd place in the 2016 Holloway Prize
- University Innovation Fellow
- Used Cuber Coworking Space
- Used the Makerspace
- Attended speaker series events
- 1st place, Nelson Postler Competition Prize
- Connected with a Mentor
- ECenter Intern
- Idea & Innovation Society Selection Committee
